

## Welcome Note

*Dear Colleagues,*

*The Society of Chemists and Technologists of Canton Sarajevo (DKTKS) and the University of Sarajevo, Faculty of Science invite you to join the 4<sup>th</sup> International Congress of Chemists and Chemical Engineers of B&H in Sarajevo, Bosnia and Herzegovina from 7–9 July, 2022. The biennial meeting is an international congress addressing the most recent achievements and emerging challenges in many branches of Chemistry. Renowned scientists will moderate topic-oriented sessions to stimulate dialog and foster academic networking to facilitate further research opportunities. We cordially invite you to use this opportunity and showcase your ongoing research work through oral and poster presentations and acquire the benefits of a scientific platform that connects experts from all around the world.*

# 4<sup>th</sup> International Congress of Chemists and Chemical Engineers of B&H

**July 7 - 9, 2022**

## Important Dates

### **Abstract submission deadline**

February 1, 2022

### **Early bird registration**

April 1, 2022

### **Registration deadline**

June 10, 2022

## Scientific Topics

- Organic Chemistry
- Inorganic Chemistry
- Analytical Chemistry
- Medicinal Chemistry
- Environmental Chemistry
- Food Chemistry
- Radiochemistry
- Physical and Theoretical Chemistry
- Chemistry of Advanced Materials
- Biochemistry & Biotechnology
- Chemistry of Natural Products
- Chemical Engineering
- Education in Chemistry
- Topics Related to Chemistry

ROYAL SOCIETY  
OF CHEMISTRY

# PMF

## Call for Abstracts / Papers / Posters / Oral Presentations

All participants are kindly requested to submit abstracts through the conference website (<https://iccebih.dktks.ba/>) **before February 1st, 2022**. Abstracts must be written in English and submitted by the presenting author. Each author can submit a maximum of two abstracts.

All the submissions will be reviewed by the conference Scientific Program Committee. All accepted abstracts will be invited to present in our Oral or Poster Sessions and published in a special issue of the *Bulletin of the Chemists and Technologists of Bosnia and Herzegovina*.

### BONUS:

- ★ A special selection of accepted abstracts will be considered for **full text publication** in a regular issue of *Bulletin of the Chemists and Technologists of Bosnia and Herzegovina* (Indexed in WoS ESCI, EBSCO Host, CAS). Please indicate your interest in the respective opportunities and kindly provide a short biography (100 words) of the main author/presenter.

### Plenary speakers

**Abdullah Mohammed Ahmed Asiri**  
King Abdulaziz University,  
Saudi Arabia

**Suljo Linić**  
University of Michigan, USA

**Ihsan Çalı̇s**  
Near East University, Cyprus

**Janez Kovač**  
Jožef Stefan Institute, Slovenia

### Top reasons to attend

- Sharing scientific breakthroughs, emerging opportunities and challenges
- Gaining a global perspective in various branches of Chemistry
- Q & A Sessions with experts
- Networking and learning how other researchers can play a role as a key accelerator in your work
- Special Registration Fees\*
- Publishing accepted full papers in the *Bulletin of the Chemists and Technologists of Bosnia and Herzegovina* indexed in **ESCI (WoS), EBSCO Host, CAS**.

\* Lower rates for Society members and students. Gala dinner included.
