

Welcome Note

Dear Colleagues,

The Society of Chemists and Technologists of Canton Sarajevo (DKTKS) and the University of Sarajevo, Faculty of Science invite you to join the 4th International Congress of Chemists and Chemical Engineers of B&H in Sarajevo, Bosnia and Herzegovina from June 30 - July 2, 2022. The biennial meeting is an international congress addressing the most recent achievements and emerging challenges in many branches of Chemistry. Renowned scientists will moderate topic-oriented sessions to stimulate dialog and foster academic networking to facilitate further research opportunities. We cordially invite you to use this opportunity and showcase your ongoing research work through oral and poster presentations and acquire the benefits of a scientific platform that connects experts from all around the world.

4th International Congress of Chemists and Chemical Engineers of B&H

June 30 - July 2, 2022

Important Dates

Abstract submission deadline

March 1, 2022

Early bird registration

April 15, 2022

Registration deadline

June 09, 2022

Scientific Topics

- Organic Chemistry
- Inorganic Chemistry
- Analytical Chemistry
- Medicinal Chemistry
- Environmental Chemistry
- Food Chemistry
- Radiochemistry
- Physical and Theoretical Chemistry
- Chemistry of Advanced Materials
- Biochemistry & Biotechnology
- Chemistry of Natural Products
- Chemical Engineering
- Education in Chemistry
- Topics Related to Chemistry

All participants are kindly requested to submit abstracts through the conference website (<https://icccebih.dktks.ba/>) before **March 1st, 2022**. Abstracts must be written in English and submitted by the presenting author. Each author can submit a maximum of two abstracts.

All the submissions will be reviewed by the conference Scientific Program Committee. All accepted abstracts will be invited to present in our Oral or Poster Sessions and published in a special issue of the *Bulletin of the Chemists and Technologists of Bosnia and Herzegovina*.

BONUS:

- ★ A special selection of accepted abstracts will be considered for **full text publication** in a regular issue of *Bulletin of the Chemists and Technologists of Bosnia and Herzegovina* (Indexed in WoS ESCI, EBSCO Host, CAS). Please indicate your interest in the respective opportunities and kindly provide a short biography (100 words) of the main author/presenter.

Plenary speakers

Abdullah Mohammed Ahmed Asiri
King Abdulaziz University,
Saudi Arabia

Suljo Linić
University of Michigan, USA

Ihsan Çalı̇s
Near East University, Cyprus

Janez Kovač
Jožef Stefan Institute, Slovenia

Top reasons to attend

- Sharing scientific breakthroughs, emerging opportunities and challenges
- Gaining a global perspective in various branches of Chemistry
- Q & A Sessions with experts
- Networking and learning how other researchers can play a role as a key accelerator in your work
- Special Registration Fees*
- Publishing accepted full papers in the *Bulletin of the Chemists and Technologists of Bosnia and Herzegovina* indexed in **ESCI (WoS), EBSCO Host, CAS**.

* Lower rates for Society members and students. Gala dinner included.
